

Colombia Today: Peacemakers Resist!

with Danilo Rueda from the
Comisión Intereclesial de Justicia y Paz

Saturday, November 13, 5:30 pm live on 

Join us to see Danilo Rueda, Executive Secretary of the Colombian ecumenical organization Comisión Intereclesial de Justicia y Paz. He will talk about the national strike and this year's long, largely peaceful protests.

Colombian security forces have attacked protesters, killed at least 43, disappeared dozens, and are now criminalizing hundreds of activists. Peacemakers are demanding safety, basic infrastructure for all communities, social support for those in need, and a process of accountability for the human rights crimes committed during the long civil war. Mr. Rueda will speak about why the protests broke out and how we can support peacemakers and their vision of social justice and peace.

Our event is free, but registration is required. You can use the enclosed form to register and learn more about donating, sponsoring or placing an ad in the program book or visit:
